It is such an honor to be selected as a finalist for Classified Employee of the Year with Fresno County Superintendent of Schools. I truly believe this is a shared honor with my Fowler Unified School District colleagues! Our team believes in making a difference and a better place for kids to feel welcomed and supported in their goals and dreams. This vibe or momentum resonates everywhere at Fowler Unified, and I am so blessed to be part of this community.

We are small, but our students accomplish and strive for “BIG” things because our staff and parents help them believe their dreams can come true with hard work and dedication. I am passionate about kids, and it is so wonderful to be a part of this dynamic, team-oriented, collaborative group of leaders with core values and mission that I am committed to and believe in.

A heartfelt thank you to my husband, Joe, with a kid’s heart that always makes me laugh, and to my children, Caleb and Kim, who have grown into such compassionate, responsible adults, and lastly to my grandchildren, Brooke, Jax and JJ, for their beautiful innocence that keeps it “all real!”

### Plant Supervisor I

It is an honor to represent Sierra Vista Elementary in Clovis Unified for the Fresno County Employee of the Year. The past 30 years have really flown by. I've enjoyed working with the staff and being around the students. I've had other jobs that I have not looked forward to coming to work, but this job is different. It's like my second family, so I don't mind coming to work most days. I hope I've made their jobs a little easier every day, and I just want to give a shout-out and thank my son, Trevor, and my daughters, Gillian and Camryn. I love you very much! I want to thank my crew who work with me and the rest of the staff who make me look better than I do at my job.

I am honored and humbled to be a finalist for Fresno County Teacher of the Year. As an Adapted Physical Education Specialist for over 24 years, I have had the privilege of working with many different children of all ages and abilities. There's nothing more rewarding than watching a student reach their full potential. I would like to thank the entire CUSD Special Education Support Services Team of dedicated individuals who go above and beyond every day; I feel blessed to be part of it. I appreciate all the teachers, support staff, and individuals I work with; I see you. You motivate me to continue to strive for excellence for our students and to persevere when the chips are stacked against you. **English Teacher, University High School**

Fresno Charter School  
Jeffie Hickman, Principal/Superintendent

---

To be nominated as Teacher of the Year is both humbling and invigorating, and I want to thank the Fresno County Superintendent of Schools for this opportunity. I also need to thank three women: my principal, my mother, and my wife. Jeffie Hickman for always having an open door and for saying “yes” to all my wild ideas. Mom, thank you for instilling in me a lifelong love of learning and a passion for public service. Nailya, thank you for forcing me on the doctoral journey with you and for a quarter-century of love and support. Without the three of you, I would not have enjoyed this journey so much. Though I stumbled into teaching later in life, it has been my joy, headache, and what makes me happy to go to work each day. I truly believe that teachers are the unsung heroes in our society, ensuring our country’s future by developing literate, knowledgeable, civic-minded citizens. I’m proud to be nominated, but I’m even more proud of my colleagues and our work daily in our classrooms.

Thank you, Mr. Williams, for teaching outside the box. Thank you, my friend Kirk Stone, for showing me what real education looks like. Thank you, Mom, for teaching me to make my own stuff whenever possible. Thank you, Dad, for teaching me how to think. Thank you, Nina, for teaching me that when things get hard, you don't give up; you make a change and take a leap.
